TAKE THE TIME

To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales

"Public holidays are important times for families and communities to come together and these days should be protected.

We oppose any moves to reduce the number of protected (restricted) trading days in NSW and any moves to remove NSW retail and fast food workers' right to refuse to work on public holidays in exempted areas where trading on public holidays is allowed.

We call on the Parliament to guarantee that no further steps will be taken to reduce or to undermine the integrity of existing retail trading laws in NSW."
