

For a better
**WORK/LIFE
BALANCE**

TAKE THE TIME

PLEDGE

I agree that our public holidays are important times for families and communities to come together and that these days should be protected.

I pledge to support the people of New South Wales by acting to oppose:

- Any moves to reduce the number of protected (restricted) trading days in NSW.
- Any moves to remove NSW retail workers' right to refuse to work on public holidays in exempted areas where trading on public holidays is allowed.
- Any moves to reduce penalty rates for work at unsociable times.
